Specification

DOX FABRIC

100% polyester

Standard Colors

Certificate

Oeko-Tex Standard 100	class I
-----------------------	---------

Technical data

Composition	100% polyester
Widt	170 cm
Weight 1 m ²	200 g

Quality

CHARACTERISTICS	TEST METHOD	RESULT
Colour fastness to water spotting	EN ISO 105-E16:2007	5
Light fastness	EN ISO 105-B02:2014	5

Care Instruction

To preserve color and appearance the Dox fabric should be vacuumed regularly with a soft nozzle. Stain Removal: Use uncolored paper towel or cloth to soak up as much as possible of the stain. Dried stains should be vacuumed. Moisten the stain lightly with a clean white cotton cloth, lukewarm water and possibly a small amount of pH-neutral detergent. Press a dry cloth or uncolored paper towel against the fabric so that moisture and dirt are absorbed. Repeat moisten and soaking until the stain is gone. Use clean water without detergent at the last moistening. Finish with soaking.

About Abstracta

With knowledge and experience Abstracta develops products for an inspiring workplace. High quality and timeless design contributes to the long service life of Abstracta products. Abstracta is a Swedish company with its own factory in Småland where both production and development takes place. The company has been operating since 1972 and about 50 percent of production is currently exported worldwide. Abstracta is part of Lammhults Design Group.
