

NOTRE DAME 100

The Notre Dame collection includes a chair version and a 2/3-seater sofa version. Notre Dame has an elegant design suited for office, business and leisure areas. It has a solid wooden structure, expanded polyurethane padding, feet in aluminium chrome-plated. The seat and backrest are upholstered in fabric or leather. Notre Dame Lounge is a sofa suitable for "open space" places, the external panels are made in a special sound absorbing foam offering the possibility to have a private call or conversation. Can be made in different combinations of colors. Made in EU.
