

Desk Panel **DPG1K**

The desk panel DPG1K is an intuitive desk panel featuring the basics of a desk panel: Up and down drive of the office desk.

The DPG is activated by tilting the desk panel in the same direction as the desk is intended to drive – which makes it an intuitive desk panel. The shape of the DPG makes it possible to reach and adjust the desk without even looking at the desk panel. This way the user is not required to draw away attention from work while changing position.

The DPG1K is small and simple, features modern design and fits all kinds of office desk designs.

Features:

- Intuitive desk panel for simple up and down drive
- Colour: Black (RAL 9005)
- Black cable with modular Jack plug, 1700 mm straight
- PVC-Free™

Options:

- Customised logo on front

Usage:

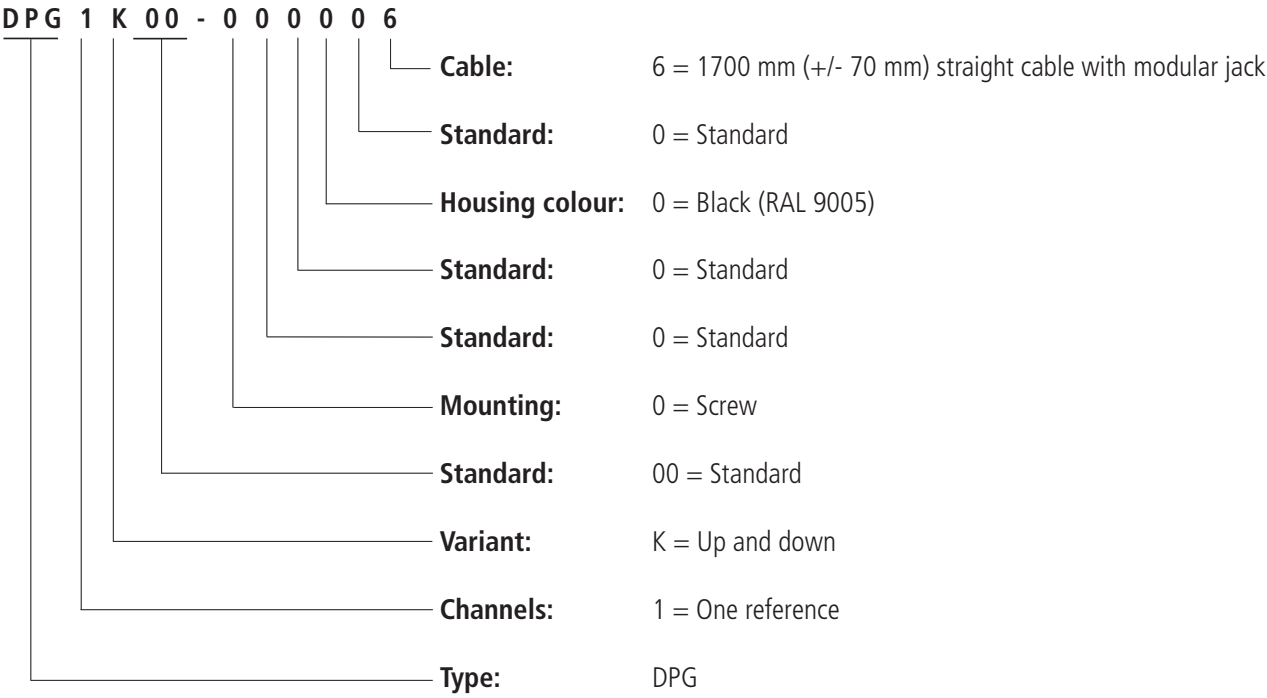

- Ambient temperature +5°C to +40°C
- Compatible with DESKLINE® control boxes
- Will be approved according to EN 60335-1
- Approved according to UL962
