

Be Mobile

The BA001 battery makes your application mobile. **Be inspired.**

LINAK® 
WE IMPROVE YOUR LIFE

Imagine a world without cables

They are everywhere – power cords and cables. At work, they help supply power to your adjustable office desk, your trolley or cart, or maybe the adjustable video rack in the conference room. At home, some have adjustable kitchens or dinner tables, or maybe even a recliner with electric adjustment. Now imagine we remove the power cords – and give you a powerful rechargeable battery wrapped in a discreet design. The LINAK battery BA001 allows you to have it all – mobility, flexibility, and comfort – without compromising your design.

Battery technology to set you free

Easy mounting, fast in operation

Mount the bracket to your application and simply click on the battery. When plugged into the application you are in operation and mobile.

ZERO power consumption

With ZERO™ Technology the battery BA001 has a standby power consumption lower than 0.1W when not in use.

Intuitive status indicator

The BA001 features LED bars indicating capacity level and the audio alarm beeps when it is time to recharge.

Flexible charging

When charging is needed simply plug in a mains cable to the control box or click off the battery and recharge it via an external power supply.
