# BUTTERFLY SERIES

Butterfly stoleserien består af 12 hovedvarianter som kan sammensættes i et væld af kombinationer med forskellige understel, træoverflader og stofvarianter. Serien er blevet udvidet med flere Butterfly Classic varianter, så den kan anvendes i endnu flere områder i samme designudtryk. Stolene har en høj siddekomfort og et elegant let, men samtidigt markant og slankt design. Sædeformen og lethedden i designet minder om en sommerfugl, som er navngiveren til denne serie af designerstole.

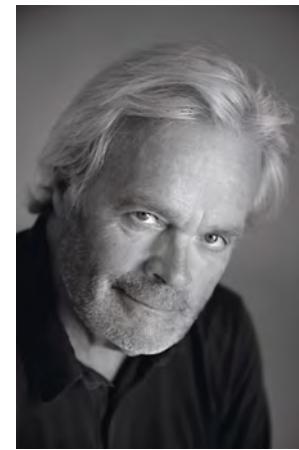

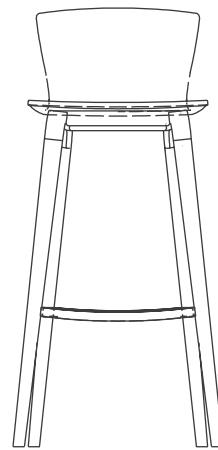

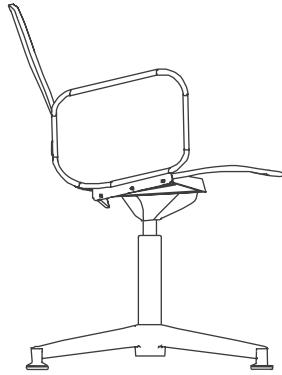

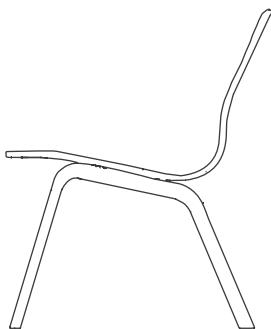

// The butterfly series consists of 12 main chair variants that offer a multitude of combinations with different kind of frames, wooden surfaces and fabric variants. The series has been expanded with several Butterfly Classic variants, so that it is suitable for a variety of areas, keeping the same design expression. The chairs have a high seating comfort and an elegant lightweight, yet distinctive and slim design. The seat shape and ease of the design resemble a butterfly, hence the name of these designer chairs.

Die Serie wurde um mehrere Butterfly Classic-Varianten erweitert, so dass sie mit ihren unterschiedlichen Versionen in vielen Bereichen angewandt werden kann, in denen man denselben Designstil bewahren möchte. Die Stühle haben einen hohen Sitzkomfort und ein elegantes, leichtes, doch markantes und schlankes Design.
