Med sit klare, stramme design er Session Lounge en fusion af klassisk shakertradition og japansk og skandinavisk møbeltradition med hensyntagen til nutidens krav om komfort og anvendelighed. Det gør Session Lounge til et oplagt valg til mange forskellige opgaver, hvor enkel, klassisk indretning vægtes. Anvendelsesområderne spænder vidt, fra lobbys til venteområder og receptioner. Møblerne opfylder Dansk Møbelkontrols højeste styrkekrav.

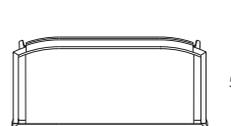

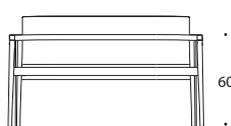

The clear, stringent design makes Session Lounge a fusion of classic Shaker tradition and Japanese and Scandinavian furniture tradition with due respect to modern demands for comfort and usability. This makes Session Lounge an obvious choice for many different projects where simple, classic interior design is of priority. The series has a wide field of applications such as lobbies and waiting and reception areas. The furniture fulfils the highest requirements of Danish Furnituremakers' Quality Control.
