FUTURE FLEX

FOR ONE OR TWO MONITORS

Ergonomics is about adapting the workplace to one's own needs, thus avoiding unsuitable working positions. With Future Flex, you get maximum comfort and accessibility, as the screen(s) have full rotation, optimal tilt options, - both up and down, as well as height adjustment.

CHARACTERISTCA:

- Future Flex embraces the clean desk policy, as the monitor solution has integrated storage, thus reducing visible wires and cables behind the screen.
- Full rotation, optimal tilt options - both up and down, as well as height adjustment. (adjusted with a 4 mm Allen key)
- Max 2 monitors of 27" and 8 kg.
