OPERA

Description:

A symphony of possibilities

The OPERA sofa and chair is designed with our need for both communication, interaction and privacy in mind. Choose a high or a low backrest depending on the atmosphere you wish to create. OPERA can be used single standing, in traditional seating groups or in larger configurations. A combination of the sofas and the chairs create a fresh and contemporary look.

Year of design: 2014

Design: Busk+Hertzog

busk+hertzog was established in Denmark in 2000 by Flemming Busk and Stephan B. Hertzog, and their successful studio, today located in Lisbon Portugal, has won more than 75 of the most prestigious international design awards, including Red Dot Award - Best of Best, IF Awards and Good Design Awards. busk+hertzog's design characteristics are sculptural, clean lines and a simple expression with minimal embellishment, and they often get their inspiration from shapes and lines found in nature.
